Subject: Farm to School Summit Registration Now Open!

Registration for the 2015 Wisconsin Farm to School Summit NOW OPEN!

Join us for an interactive day of learning, sharing, and meeting new people!

At the third Wisconsin Farm to School Summit, we'll be "Digging In" to farm to school with topics for the experienced and beginning farm to school practitioner. This conference is different than most, featuring a full day of interactive and hands-on activities and networking sessions, along with an exciting keynote from Deborah Kane, National Director of the USDA Farm to School Program. Passionate about bringing healthy, delicious food into early care and education sites? Join us at the Farm to Preschool workshop! Participants will select one afternoon workshop where they will spend three hours "Digging In" to a farm to school topic of choice. Please note that you will select your afternoon workshop upon registering for the summit.

For more information – including how your school could win a SALAD BAR donated by Roundy's and United Fresh – and to register – visit <http://www.cias.wisc.edu/2015-f2s-summit/>.
